24 Pcs Carton

Exhibits an excellent adhesion to glass, tiles, ceramics, fiberglass, Aluminium, non-oily woods, painted surfaces, plastics and other non-porous surfaces

1K PUR EMERGENCY ADHESIVE

250G
24 Pcs Carton

500G
12 Pcs Carton

Redbond 1K PUR adhesive's key features include its ability to bond with various substrates such as wood, and composites. It offers excellent resistance to water, chemicals, and temperature variations, ensuring durability in challenging environments. The adhesive also provides flexibility after curing, which helps to accommodate movement or expansion in the bonded materials. Additionally, it is easy to apply and does not require mixing, making it convenient for both industrial and DIY applications.
